

Lecturer Position Announcement for Non-Tenure/Tenure Track Teaching Assignments

Department of Recreation, Hospitality and Parks Management, California State University, Chico

Applications are being accepted for placement in the applicant pool for temporary lecturers in the Department of Recreation, Hospitality, and Parks Management at California State University, Chico. All candidates in the temporary lecturer applicant pool are given careful consideration for instruction of classes that become available after their application is received. Applications are accepted throughout the academic year and during the summer break. The availability of classes and temporary lecturer positions is determined by budget and staffing conditions within the department. Selections for lecturer positions are typically made late in the summer when the state budget has been adopted and the Department of Recreation, Hospitality and Parks Management has received guidance about its anticipated budget allocation for the academic year. In addition, positions sometimes become available between late fall and early winter for the spring semester.

The Department:

The Department of Recreation, Hospitality, and Parks Management provides an outstanding program with an average of 3-5 full-time, 4-6 part-time faculty, graduate teaching associates, and 200 undergraduate majors. The program offers undergraduate degree options in Recreation Therapy, Resort and Lodging Management, Parks and Recreation Management, and Event Management. The program also offers minors in Recreation Administration and Tourism. The College of Communication and Education, the top professional development college in the University, administers the department.

APPLICATION PROCEDURE:

- 1) Review the courses in the Recreation, Hospitality, and Parks Management section of the University Catalog. See descriptions in this document or view the catalog at: <http://catalogint.csuchico.edu/viewer/20/search/courses/RHPM.html> and links to the current AY schedule at: <http://www.csuchico.edu/schedule/>.
- 2) Review the minimum qualifications for each class in the program curriculum. Minimum qualifications for each course are described in a section that follows the Course Application Checklist.
- 3) Submit a letter of application requesting consideration for the "Lecturer Pool" for the Department of Recreation, Hospitality, and Parks Management at CSU, Chico. Using the Class Application Checklist following the Application Procedure, indicate the specific classes for which you wish consideration. Please do not apply for classes that you are not qualified to teach. **Please Note:** Blanket applications will not be accepted or reviewed. **The application must designate the specific classes for which the applicant desires consideration.**
- 4) Send a completed Unit 3 Faculty Application, a resume or CV, transcripts, a statement of teaching philosophy, teaching evaluations (if available), and three letters of reference. Unofficial transcripts are acceptable for initial application but official transcripts will be required is an offer of employment if made. The Unit 3 application can be found at this URL: https://www.csuchico.edu/oapl/_assets/documents/combined-app.pdf

We value a diverse faculty and staff and seek to create as diverse a pool of candidates as possible.

Send application materials to: Chair, Department of Recreation, Hospitality, and Parks Management
California State University, Chico
Chico, CA 95929-0560
Phone: (530) 898-6408

Review of new applications is completed in August for the fall semester and January for the spring semester. Applications for the part-time pool are accepted throughout the year and are given careful consideration for employment in positions during that academic year that arise after the date of receipt of the application. The application process begins anew each academic year. For disability-related accommodations, call (530) 898-6408 or e-mail lmclachlin@csuchico.edu or TDD (530) 898-4666. California State University, Chico is an EEO/AA/ADA Employer. CSU, Chico employs only individuals who are lawfully authorized to work in the United States.
