  - c. Greater collaboration with campus architect and facilities management needed to improve committee's effectiveness
  - d. FMS wants to manage grounds
    1. FMS is discussing hiring a replacement for Kevin Doyle
    2. We might want to bring up Arboretum Committee during the hiring process
  - e. Broader representation on committee recommended (suggestions to consider adding AS sustainability, Geography, AG, Natural Sciences, Park and Rec, )
  - f. Possible areas of focus for committee include:
    1. native plants - 30% of CA native plants threatened
    2. Pollination crisis
    3. Resoration of creek
    4. Tree removal policy

- g. Some informal proposals to date for additions to campus gardens include: herb garden, orchard, vegetable garden, native vegetation, lysimeters (to measure groundwater content)
- h. Concern raised about long term management of possible vegetable gardens (particularly over summer)
- i. Possibility raised of finding local partners (corporate and/or community partners)
- j. Passed as an Introduction Item

## 6. Proposed EM: Chair Appointment - Discussion

- a. Meadows provided some background
  - 1. This sat on Zingg's desk for a while
  - 2. Last PAC meeting there were some suggested changes (Meadows read her notes from PAC meeting)
  - 3. Some concern that there be a way to recall nonfunctioning chairs
    - a. Dean should be able to say "no" to dept recommendation
    - b. Faculty may not be able to question chair because of chair's power position
    - c. Subcommittee formed (Wilking, Livingston, Hennessey)

## 7. Subcommittee Reports

### a. Internship committee

- 1. Sudick and Hennessey reported it's about done
- 2. Sistruck suggested getting in touch with Loeker

## 8. Other

### a. FRAS (faculty recognition awards)

- 1. Schulte- there is a need for clear long-term award criteria (none exists)
- 2. Other possible kinds of teaching acknowledgements or roles were discussed (helping with pass rates, first generation students, master teachers, research mentoring, etc.)
- 3. Perhaps offering more than one award per year or more than one per college
- 4. Subcommittee formed (Thompson, Sudick, Schulte, Pittman, Elamad)

### b. RA issue

- 1. Mustafa did not show
- 2. Meadows provided background of incident in which 20 RAs were fired last week
- 3. Discussion followed regarding concerns about the incident and its impact
  - a. How did University Housing approach the incident?
    - 1. Would an investigation have been more appropriate than firing?
      - a. This may have been too draconian
      - b. Was response evenly applied?
      - b. Could this be a teaching moment rather than a condemning one?
    - 2. Concern about asking students to name names
  - b. If you represent the campus Alcohol and Drug Center is it a conflict of interest to be drinking with students?
    - 1. Are expectations for RAs different than other campus workers in this regard?
    - 2. Do we really know what RAs do?
  - c. Concern that this is more of a cultural issue and that perhaps these students were scapegoats
  - d. Did the RAs have a clear contract or just a job description?
    - 1. The wording of the contract may have been changed last year (to *refrain* from drinking)
    - 2. Was expectation changed after they were hired?

3. Could this be considered wrongful termination?
  4. Do we need to craft a better job description?
  5. Sami will send job description for RAs to Meadows who will distribute it to committee members
- e. Impact on RAs
1. Homeless- and no money to find another place
  2. Food insecurity
  3. Emotional impact- loss of identity
  4. Ability to continue as student-will they need to leave the University?
- f. Impact on students living in dorms-
1. Are they without RAs?
- g. Urgency in addressing this matter
- h. Concern that information circulated is not accurate (need to understand context)
- i. Is it appropriate for Senate to address this?
1. A forum rather than a Senate discussion was recommended
