The Faculty Recognition and Support (FRAS) Committee is soliciting nominations to recognize the outstanding faculty of the Chico State community. To nominate a faculty member please: 1) select a category on this **nomination form**; 2) create a **nomination letter** highlighting the nominee’s achievements (limit to no more than two pages total); 3) attach a copy of the faculty member’s **Curriculum Vita**; and 4) submit **three letters of support**. With the exception of the Outstanding Faculty Service Award, the three letters of support for the nominee should include one from a past or present student, one letter from a faculty member, and another letter from anyone looking to support the nomination. For the Outstanding Faculty Service Award, the three letters of support do not need to include a student.
