

## Starting and Continuing Research

**What is my prompt looking for and what/how many resources do I need?**

- 
- 
- 
- 

**Are my sources credible?**

- Are they peer reviewed?
- Do they come from an official database?
- Is it from an official publication or news organization?

**What sources am I going to use?**

**Additional Resources**

- **JSTOR** - a digital library of academic journals and articles that is a great starting point for research.
- **Westlaw** - an online legal research database with an abundance of credible sources.
- **Meriam Library (MLIB)**
  - **Subject Librarians** - are available for personal research consultations at the MLIB. An appointment can be made online at:
