STUDENT ORG REGISTRATION - OPEN AUG 17!!

Hey President's of Student Org's.....you can fill out the registration form for your organization starting Monday, August 17th through Wildcat Sync. Additionally, all Presidents and Treasurers will complete the online compliance training to obtain "recognition" through the Terms and Conditions section.

Don't know who your President or Treasurer will be for Fall? It's ok, we get it. Just identify who you think is best suited to be named to the role and they can relay all of the proper information to the updated leadership board at a later date.

MESSAGE FROM YOUR COORDINATOR

Hello to all of my friends involved with Student Organizations at Chico State. As we near the first day of school, I know many of you are thinking about what Fall will look like for your group and I’m excited to join you along the way!

Here is what I know:

1) Online registration opens August 17th. President's will be responsible for filling out the registration form. Additionally, President and Treasurer will complete the online compliance and boom....you are recognized!!

2) Although there are no reservable meeting rooms or tabling spaces at this time, we are working on approval per Butte County's COVID-19 status.

3) On that note, it is up to YOU as student organization representatives to lead by example and help keep Butte County #’s low so we can get back on campus.

4) You can keep thriving as an organization! We will continue to offer support, ideas, suggestions & resources to keep your organization afloat.

5) Make sure to listen to my video update HERE
