Re-Recognition

Drumroll please.........it's all ONLINE!

|| Everyone wins || Beginning early August, you will receive an email with the link for re-recognition to be completed through Wildcat Sync.

Don't know who your President or Treasurer will be for Fall? It's ok, we get it. Just identify who you think is best suited to be named to the role at the beginning and they can relay all of the proper information to the updated leadership board at a later date.
WHAT CAN YOU DO BEFORE SCHOOL STARTS?

ROSTER - We know that the roster can be tough to keep updated. Before school starts, make sure that your roster is up to date. You will find that the previous members have been archived so please add who will plan to return in Fall 2020.

MAKE A VIDEO - Want a good way to advertise your club and keep recruiting efforts going? Watch THIS video for a few quick tips on how to make a promotional video for your club.

THINK OF WHAT YOU CAN DO? Weekly meetings...Fundraising...Live Stream Activities...Friendly Competitions...Virtual Engagement Events...Guest Speakers...Info Share...Weekly Featured Student...etc.

Keep recruiting....keep going! Want to participate in Clubtacular? The largest recruitment opportunity of the year is still happening.

We would love to have you!! Gather some friends and start thinking about promotional opportunities and reasons for new students to join your club.

Two items to prep:

1) Make a 90 second video explaining the multiple reasons why a new student should join your club. Click HERE to watch a video with some tips and tricks about making a short promo video. Once complete, add it to the ABOUT section of your Wildcat Sync page.

2) Select one or two members to participate in our one-hour activity fair on 9/4 at 1pm through Wildcat Sync.

This is our time to shine!!
