STUDENT ORG REGISTRATION - OPEN NOW!!

Calling all President's of Student Org's.....you can fill out the registration form for your organization on Wildcat Sync. Step TWO will require the President and Treasurer to complete the online compliance training to obtain "recognition" through the Terms and Conditions section on Wildcat Sync. Having challenges with the Terms and Conditions section? Never fear, we made a VIDEO for that.

Don't know who your President or Treasurer will be for Fall? It's ok, we get it. Just identify who you think is best suited to be named to the role and they can relay all of the proper information to the updated leadership board at a later date.

CLUBTACULAR

SEPT. 11
1pm
Wildcat Sync
Registration opening soon
Re: Fall 2020 Meetings

UPDATE REGARDING
STUDENT ORGANIZATION IN-PERSON MEETINGS

Attention Student Organization campus community:

In compliance with current State, County, Local and University guidelines, we have been notified that all in-person meetings, on or off-campus, are postponed until further notice. This includes indoor and outdoor gatherings. All club business must be conducted virtually as long as Butte County is on the State monitoring list and until we can decrease our county COVID count.

Please note this applies for both on and off-campus club meetings and activities. If we are made aware of any organizations meeting in person, we will work directly with the Office of Student Conduct, Rights and Responsibilities for a campus conduct investigation. Your entire organization will be placed on suspension during the review of the incident.

Failure to comply with these University regulations will result in individual and/or organizational sanctions that include, but are not limited to: individual University sanctions, organization suspensions, loss of organization recognition, loss of funding/access to campus resources, etc.

**Remember:** Your off-campus behavior directly impacts your on-campus access. Please help us stop the spread so we can all be together again!
MESSAGE FROM YOUR COORDINATOR

Welcome back Wildcats!

I know one thing for sure....things keep changing. I sure wish that I could settle the world around us and we could all gain a sense of normalcy. Since we continue to endure constant change, I feel that it's imperative for us, as a student organization campus community, to do our part in positively affecting change.

We can help stop the spread of COVID and we can personally contribute to getting the numbers down. We can help each other through times of distress and frustration. We can adapt to new policies and procedures. We can get creative on how we continue to interact as student organizations. WE are a COMMUNITY and I am grateful for your partnership. I have high expectations of you all and I look forward to watching you adapt to these changes and rising above the challenge. We got this 'Cats!
