STUDENT ORG REGISTRATION

ITS HAPPENING NOW!! The good news is that many of you have started registrations although not all of you have finished. Please email me if you would like to know what you still need to do to complete Student Org Registration. Our deadline is September 30th so get your organization on the list today!

Don't know who your President or Treasurer are yet? It’s ok, we get it. Just identify who you think is best suited to be named to the role and they can relay all of the proper information to the updated leadership board at a later date.

DON'T MISS "KEEP CATS CONNECTED" ON 10/9 AT 1PM

I have read each and every registration response and the common theme is that it would be nice to hear some innovative ideas on how to keep your group connected during these challenging times. Well, don't miss our zoom session that will feature our amazing Student Organization Coordinators sharing the inside scoop on things you can do to stay in touch while having fun!
Do you have any questions for Kendra or MaryLisa in regards to your organization or financial services? Want to know how much $$ you have in your account? Are you feeling stuck and don't know what to do to keep engagement rolling through the rest of the semester?
