CRISIS SUPPORT

UMatter

Mental Health Outreach Center

www.csuchico.edu/umatter/index.shtml

UMatter is Chico State's mental health outreach program, aimed at eliminating stigmas and promoting positive mental health practices, particularly through bystander intervention and suicide prevention efforts. There is an internship associated with U Matter, for more information on U Matter internships please go to the link:

<https://www.csuchico.edu/umatter/what-we-do/intern-blogs.shtml> or contact at umatter@csuchico.edu

Prevention and Response

BASIC NEEDS

I Can Help

Suicide Prevention Training Workshops

<https://www.csuchico.edu/counseling/services/i-can-help.shtml>

ICANHELP offers free suicide prevention training designed for students, faculty, staff, and non-mental health professionals to assess, assist, and prevent suicide among peers and the community. These programs are offered in person and online several set times throughout the semester.

HEALTH AND WELLNESS

CARE

Campus Assessment Response and Evaluation Team

www.csuchico.edu/care/index.shtml

CARE is an early response team that receives reports of concerning behavior, conducts investigations, assesses threats, and acts with community resources for early intervention and threat assessment. Anyone at Chico State can use CARE for anyone associated with Chico State. For example, a student sending a concern about another student.
