POST- CREDENTIAL BILINGUAL AUTHORIZATION: Memorandum of Understanding (MOU)

As a participant in the CSU, Chico Post-Credential Bilingual Authorization pathway, I agree to the following conditions, expectations, and responsibilities:

1. I will pay fees and register on time for my courses.
2. I will follow the course advisement pattern and sequence and all advisement requirements. I will update any changes in contact information including mailing addresses, phone numbers, and email addresses through Student Records & Registration, <https://www.csuchico.edu/sro/>.
3. I understand that I am expected to maintain a 3.0 GPA each semester.
4. I will demonstrate the ability to write at a graduate level.
5. I acknowledge that no grade lower than a "B-" is acceptable towards credential courses. If a grade lower than B- is received, the University Policy for repeating courses with forgiveness must be followed. (Refer to the CSU, Chico University Catalog, Academic Policies, Graduate Repeat with Forgiveness and/or "A Guide to Graduate Studies" for details regarding this process.)
6. **Some courses will require access to emergent bi/multilingual students in a classroom setting to complete the assignments and demonstrate competencies. I understand that I will be expected to plan, instruct and assess emergent bi/multilingual students in both large and small group settings. I understand that it is my responsibility to make these arrangements in cooperation with my administrator(s) and course instructor(s).**
7. I will model successful professional communication/collaboration with pupils, administrators, university faculty, colleagues, and parents as needed to complete assignments.
8. I will contact the University Disability Support Services prior to the beginning of the coursework if I have a disability that requires accommodations in coursework and/or my field experience.
9. I understand that relevant professional information regarding my progress in the program may be shared between my university instructors and program coordinator if appropriate.
10. On-going evaluation of my progress will take place throughout the program. I understand that dismissal from the Post-Credential Bilingual Authorization may occur if there is evidence of unsatisfactory performance in one or more of the following areas at any time during the program: professional education coursework, field experience, completion of Commission on Teacher Credentialing competencies and ethical or professional conduct in general. Unsatisfactory performance will be determined by the Bilingual Education faculty and SOE staff in accordance with the School of Education Candidate Dismissal Policy. If dismissal from the coursework appears imminent, I will be notified and advised of appeal and grievance procedures.
11. I understand that many of the courses in the program may be partially or completely conducted in an online learning environment in both synchronous and asynchronous formats. By agreeing to participate in the program, I also agree to participate in the distance learning process, including

learning new skills if necessary, in order to meet the requirements and timelines set forth by the professors in any course that includes a distance learning component. I fully accept responsibility for gaining consistent access to the appropriate technology—including adequate and up-to-date computer software, hardware, and peripheral devices—as required by the professor. I also understand that I may contact Student Computing Services for assistance if I have software or hardware problems or have difficulty accessing any on-line course content, and that the professor is not the appropriate contact for technical difficulties that may occur in the distance learning process.

**I understand that in order to earn my post-credential bilingual authorization, I must demonstrate competency in the minoritized language of emphasis.**
