

EARLY FIELD EXPERIENCE CLASSES – SPRING 2024

The following classes receive clearance and/or placements through the Early Field Experience program, formerly CAVE's Service Learning program.

- Students enrolled in classes marked as "ATLAS" will complete their service hours through ATLAS online instead of receiving an in-person placements.
- Students enrolled in classes marked as "Clear & place" will receive placements from the School of Education (unless they find their own or are a distance learner).
- Students enrolled in "Clearance only" courses will either be assigned a placement by their instructor or will be responsible for finding their own. Students enrolled in "Clearance only" courses should email their Course Instructor directly to confirm the placement process for their specific course.
