1. Early Field Experience (EFE) volunteers give general assistance to teachers 3-5 hours per week for 11 weeks each semester. They may participate in classroom observations, assist with students one-on-one, work in small groups, grade papers, set up bulletin boards, or prepare projects.
2. EFE volunteers usually begin their placements in the 4th week of CSU, Chico classes. They serve for 10 weeks (excluding CSU, Chico holidays). The program usually ends on the first week of December for the Fall semester and the first week of May for the spring semester. Volunteers must be supervised at all times.
