\* The degree major must correspond to the authorization to be listed on a Single Subject credential. For example, a degree major in English would qualify for a Single Subject credential in English.

\*\*\*A candidate who is completing a Single Subject credential program in World Language will need to have earned a degree foreign language area in Spanish.

[PSA 23-04](#): The approved regulations include clarification about acceptable coursework for all credentials. Specifically, in order to be considered as applicable toward a candidate's subject matter competency, acceptable coursework for any credential must meet all of the following criteria:

- 1) Has been completed with a grade of "C" or higher, "Pass", "Credit" or another designation deemed by the institution of higher education to be the equivalent to a grade of "C" or higher.
- 2) Is degree-applicable to an Associate or higher degree and credit bearing. Remedial or professional development coursework is not acceptable.
- 3) Completed at a regionally accredited institution of higher education.
