JOY OF GIVING
Program

Staff Council is pleased to announce that our Service Projects Committee is once again preparing to make a magical time for many children that are in need of our help. The Joy of Giving Program, formerly known as the University Needy Children Program, matches colleges/departments up with Butte County families that have been nominated by area social workers.

The Butte County Division of Children’s Services has made an effort to select families that are truly in need. These families have not participated in the program before and are not supported by any other charitable organization within Butte County. For these reasons, your holiday donations will make a big difference in a child’s life.

The entire University is invited to participate. We encourage departments, schools, colleges, offices, or individuals to join together during this time to support as many children as possible.

This University event is sponsored and coordinated through Staff Council and its Service Projects Committee.
