

Technical Career Fair – Fall 2023

Thursday - September 21st BMU Auditorium 12:30-4:30pm

Hosted by MESA Engineering Program - MEP

Company Pricing & Registration Information

· **IN PERSON PARTICIPATION ... \$750**

Includes access to all Engineering Students attending Technical Career Fair. Advertising to students with links to your company's webpage and/or careers website. You will have a 2' x 6' foot table, 2 chairs, 2 lunch vouchers, electrical and internet access.

If you need Interview or Information Session rooms, please email with requested date and time (no additional charge).

Interview Rooms for September 22 are limited, please let us know as early as possible.

** If you are **only** seeking CM Students, our Construction Management has an excellent program that assists company reps with CM Student recruitment. Please call (530)898-5216 for their assistance.

All students will be required to have completed resumes to participate in Technical Career Fair.

Please send me contact information that I can pass on to students who want to ask questions about your available opportunities.

For questions or general career fair inquiries:

Email - TechnicalCareerFair@csuchico.edu or **call** (530)898-4017

Students attending are from the following majors:

Computer Science (CSCI)
Computer Information System (CINS)

Subject: RSVP Technical Career Fair

You will receive a "Confirmation Email" within 5 days that will include details for your participation. If you have other majors you would like us to announce your presence on our campus, please let us know and we can send an email to those targeted non-engineering majors. You can email us TechnicalCareerFair@csuchico.edu with wording to send to additional targeted students.

Your registration is complete when you submit this form. Payment is expected within 14 days upon receiving payment request, if you need additional time, please ask. If you need to cancel, you must cancel by September 15th for a full refund.

Payment is by credit card. We will call you with the code needed to complete payment through our campus online payment system.

If you have any questions please contact us.
