

Visual/Audio Image Release Form

I grant permission to California State University, its employees and agents, to take and use visual/audio images of me. Visual/audio images are any type of recording, including photographs, digital images, drawings, renderings, voices, sounds, video recordings, audio clips or accompanying written descriptions, CSU will not alter the original images, except for cropping, change in brightness/contrast and other standard technical adjustments, and creating composite or artistic representations. I agree that CSU owns the images and all rights related to them. The images may be used in any manner or media without notifying me, such as university-sponsored web sites, publications, promotions, broadcasts, advertisements, posters, and theater slides, as well as for non-university uses. I waive any right to inspect or approve the finished images or any printed or electronic matter that may be used with them.

I release CSU and its employees and agents, including any firm authorized to publish and/or distribute a finished product containing the images, from any claims, damages or liability which I may ever have in connection with the taking of use of the images or printed materials used with the images.
