6. Next Meeting: May 8, 2020 via Zoom

7. Adjourned.
This was our first On-Line conference for the TWTS Conference (made necessary by COVID-19). Surprisingly, we had a record number of registrations, which included 60 different Universities, Junior Colleges, and School Districts. The breakdown includes 17 CSU’s; 9 UC’s; 10 Junior Colleges; 3 Elementary Schools and/or School District; 15 Non-California based Universities; and 6 International Universities.

Historic registrants for the TWTS Conference for the last 4 years: 2020: 1191; 2019: 1156; 2018: 1070; 2017: 1132

Composition of our attendees include: 86% Students; 4% Faculty; 4% Staff; 5% Community members; 1% Administrators.

Track participation (track popularity):

63% of attendees participated in two tracks:
- Environment, Land Planning & Natural Systems
- Sustainable Food Systems & Regenerative Agriculture

40% participated in Built Environments, Engineering & Waste Management
35% participated in Health, Wellness, Diet & Nutrition
21% participated in Entrepreneurship, Marketing & Supply Chain Management
18% participated in Social Justice & Public Policy
13% participated in Arts, Humanities & Creative Expression

Our Faculty Chair, Nate Millard, will be surveying participants for additional feedback. Cheri and I will also be calculating our carbon footprint in contrast to previous conferences.

We are so very honored to have Trustee Eisen, Provost Larson, and AVP Mike Guzzi kick off our program. President Hutchinson did a fabulous job closing out our 2 day program.
