Application for admittance into the BSW Professional Sequence:

To become a Social Work Major and to begin Professional Sequence Courses, students must submit a BSW DL Professional Sequence Application. This is a competitive application process. You are able to apply if:

* You have a qualifying cumulative GPA (grade point average) of 2.0, and
* You have passed the 2 Social Work Prerequisite Courses by the end of Fall semester, with a grade C or better, and
* You have passed the 3 Social Work Prerequisite Core Courses by the end of Fall semester with a grade C or better
* Ability to attend two face-to-face, on campus weekends per semester at CSUC.
* Ability to do internship within the service region during your senior year (uppermost 18 counties in California).

The BSW Professional Sequence Application process opens August 1st, and closes September 15th to start the following Spring. Applicants will be informed of admission decisions mid-November. Please visit our website for all other application information.
