About JTC

The Job Training Center is a non-profit organization providing workforce development services. Our mission is to empower job seekers to meet the current and future workforce needs of businesses in the region. Our staff is supportive and positive and we work together for the same goals.

Currently, we are seeking an energetic, innovative professional to join our team to work with young adults, ages 18-24 years old.

Ideal Candidate: A self-starter who is able to design and develop programs to help youth achieve their career goals. Preferably, you will have knowledge of career planning, vocational training opportunities, job search strategies, and employer expectations for successful job retention. Ideal candidates should be familiar with and able to engage youth from diverse backgrounds, must have a passion for mentoring youth, understand how to coach and motivate, and be able to facilitate the implementation of career pathway plans. An awareness of key industry sectors in the north state region is desirable.
