JOIN OUR TEAM!

Butte County Behavioral Health is currently hiring for the Resiliency Empowerment Support Team, also known as the REST Project. This project will build a collective framework to promote engagement in services which will reduce negative outcomes of untreated mental illness and or co-occurring disorders.

- County-wide, Intensive Outreach & Engagement Team
- Integrated, comprehensive services all at one site
- Everhart Village, co-located next to various service sites
- Pharmacy, Community Room and Computer Lab
- Peer care coordination

The REST Project is an Innovation project funded through the Mental Health Services Act. This dynamic program will be mostly field-based working with unhoused individuals.

Available Positions Include:
- Supervisor, Clinician
- Clinician
- Counselor/Peer Counselor
- Peer Support Specialist
- Analyst
- Health Services Assistant
- Part time Psychiatrist
- Nurse

About Us

Behavioral Health has been serving Butte County for 55 years and provides care to youth and adults. Treatment consists of a continuum of prevention, early intervention, treatment, and recovery support systems.

Behavioral Health provides mental health and substance use treatment to Medi-Cal beneficiaries, and provides crisis interventions to the community, regardless of insurance status.
