

NOTICE OF NON-DISCRIMINATION ON THE BASIS OF GENDER OR SEX

The California State University does not discriminate on the basis of gender, which includes sex and gender identity or gender expression, or sexual orientation in its education programs or activities. Title IX of the Education Amendments of 1972, and certain other federal and state laws, prohibit discrimination on the basis of gender or sexual orientation in employment, as well as in all education programs and activities operated by the University (both on and off campus), including admissions. The protection against discrimination on the basis of gender or sexual orientation includes sexual harassment, sexual misconduct, and gender based dating and domestic violence and stalking.

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to have experienced the conduct that could constitute sex discrimination or sexual harassment), in-person, by mail, by telephone, or by electronic mail, using the contact information listed below for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator.
